

Locks Landing Architectural Control Committee (ACC)
To facilitate ACC application process we request the following:

1. All items for ACC consideration must be submitted through Bayshore Association Management and logged in as such by them.
2. ACC application forms are available online at www.lockslandinghoa.com and from Bayshore and MUST be included with each request.
3. All project plans and documents must be submitted in duplicate.
4. All projects must include site plans showing project location, dimensions, appropriate setbacks, and complete material descriptions where applicable.
5. Drawings and/or photographs are appreciated.
6. When county permit is required, permit must be obtained prior to construction.
7. The ACC will meet once a month on the 3rd Wednesday to review all submissions. Bayshore Association Management must receive requests by the 2nd Wednesday of the month for inclusion at the next meeting date. After review, Bayshore Association Management will notify the applicant of the results.
