

**Locks Landing Homeowners Association  
Architectural Control Committee (ACC)  
Conditional Basketball Hoop Application Form**

**This form shall be utilized only when the applicant(s) seek conditional approval for a basketball installation that would not conform to the current ACC requirements for basketball hoops. This form must be submitted as a supplement to the normal ACC application process.**

**This application will be considered for a conditional approval when all of the following conditions are met:**

- **Must have approved sign off by current neighbors within 200 feet of the proposed location**
- **Must meet all other conditions listed in the ACC Standards for Basketball Hoops**

**The applicant(s) agrees to adhere to the ACC Standards for Basketball Hoops. In addition, must maintain the approval of current neighbors at the time of application and at the time when subsequent new neighbors may move in due as a result of property transfer or completion of new homes.**

**The applicant(s) further agree that upon any conditional approval that may be granted by the ACC, all said conditions of conditional approval must be maintained by the applicant(s) or the conditional approval may be withdrawn by the ACC.**
